Postcodes - 2500 (2 case), 2502 (4), 2505 (1), 2506 (1), 2515 (2), 2518 (1), 2525 (1), 2530 (5)
- 11 are from the Shellharbour LGA – 3 are linked to a known case
Postcodes – 2527 (6), 2528 (3), 2529 (2)
- 10 are from the Shoalhaven LGA – 1 is linked to a known case
Postcodes – 2540 (1), 2541 (9)
- There are no new cases from the Kiama LGA

There have now been 2,101 local cases of COVID-19 in the Illawarra Shoalhaven Local Health District since the start of the current outbreak in June.

As at 8pm Sunday, 10 October there were 37 COVID-19 patients being treated in hospital.

Venues are posted daily on the [District's Facebook page](#) and a full list of all exposure sites in NSW is available on the [NSW Health case locations web page](#).

The community is reminded to remain vigilant for symptoms and get tested if any appear, no matter how mild. Symptoms include cold or flu-like symptoms such as fever, sore throat, cough or shortness of breath. People with mild symptoms, such as fatigue, new muscle aches or pains, a change in taste or smell or a new runny nose, should also arrange testing as quickly as possible.

High rates of testing are critical to detecting transmission and preventing further spread of COVID-19 in the community.

There are a number of COVID-19 testing clinics across the Illawarra Shoalhaven Local Health District. Visit the [District's website](#) for a full list and updated opening hours and times. There are also more than 500 COVID-19 testing locations across NSW – visit the [NSW Government website](#) for details.

Illawarra Shoalhaven Local Health District urges those eligible in the community to continue to come forward for vaccination. Everyone in Australia aged 12 and over can receive a COVID-19 vaccination. For more information on eligibility and to book a vaccination, visit www.health.gov.au.
