ISLHD COVID-19 update

Illawarra Shoalhaven Local Health District (ISLHD) is continuing to urge the community to get vaccinated and come forward for testing, after recording 7 positive COVID-19 cases in the 24 hours to 8pm last night.

Of the 7 new cases:

- 4 are from the Wollongong Local Government Area (LGA) - 3 are linked to known cases
  Postcodes – 2518 (2), 2525 (1), 2526 (1)

- 1 is from the Shellharbour LGA and investigation are ongoing
  Postcode - 2527 (1)

- 2 are from the Shoalhaven LGA – (1) is linked to a known case
  Postcode – 2540 (2)

There have now been 2,376 local cases of COVID-19 in the Illawarra Shoalhaven Local Health District since the start of the current outbreak in June.

As at 8pm Monday 25 October, there were 23 COVID-19 patients being treated in hospital.

Sadly, NSW Health is reporting the death of a man in his 80s at Wollongong Hospital. He was unvaccinated. ISLHD extends sincere condolences to the man's loved ones.

We urge the community to regularly check the District's Facebook page for venues of concern. A full list of all exposure sites in NSW is available on the NSW Health case locations web page.

The community is reminded to remain vigilant for symptoms and get tested if any appear, no matter how mild. Symptoms include cold or flu-like symptoms such as fever, sore throat, cough or shortness of breath. People with mild symptoms, such as fatigue, new muscle aches or pains, a change in taste or smell or a new runny nose, should also arrange testing as quickly as possible.

There are a number of COVID-19 testing clinics across the Illawarra Shoalhaven Local Health District. Visit the District's website for a full list and updated opening hours and times. There are also more than 500 COVID-19 testing locations across NSW – visit the NSW Government website for details.

Illawarra Shoalhaven Local Health District urges the community to continue to come forward for vaccination. Everyone in Australia aged 12 and over can receive a COVID-19 vaccination. For more information visit www.health.gov.au.
