Illawarra Shoalhaven Local Health District COVID-19 cases update

▲ 23 confirmed COVID-19 cases in the Illawarra and Shoalhaven ▲

For the 24 hour period to 8pm last night, there were 23 new COVID-19 cases recorded for the Illawarra Shoalhaven Local Health District. Details are as follows:

- 20 cases from Wollongong Local Government Area (LGA)
- 2 cases from Shellharbour Local Government Area (LGA)
- 1 case from Shoalhaven Local Government Area (LGA)
- 0 cases from Kiama Local Government Area (LGA).

There have been 2782 total community acquired COVID-19 cases reported since 16 June 2021, when the first case in this outbreak was reported (cases not necessarily acquired within the Local Health District).

Note: The total number of confirmed cases has been updated to reflect changes following further investigation - such as actual residence being outside the LHD or people being excluded as a case.

Below we have provided postcodes for confirmed cases as a guide to alert the community who live in these areas that COVID-19 may be circulating in their suburb and surrounds. We do this to ensure all residents within the postcode know they need to be extra vigilant when leaving their home, when monitoring for symptoms and getting tested if they feel unwell.

Individual suburb breakdowns are not provided as it does not accurately reflect where cases may have been during their infectious period.

Wollongong LGA – 20 cases (8 linked to known cases)

- 2500 – 6
- 2515 – 1
- 2517 – 1
- 2519 – 6
- 2525 – 1
- 2526 – 3
- 2530 – 2

Shellharbour LGA – 2 cases (1 linked to a known case)

- 2527 – 1
- 2528 – 1

Shoalhaven LGA – 1 case

- 2540 – 1

Kiama LGA – 0 cases

It remains vital that anyone who has any symptoms or is a close or casual contact of a person with COVID-19, isolates and is tested immediately. When testing clinics are busy, please ensure you stay in line, identify yourself to staff and tell them that you have symptoms or are a contact of a case.

For a full list of local testing clinic locations and opening hours, visit: <https://bit.ly/ISLHD-COVID-testing>.
