As at 8pm, 16 January there were123 COVID-19 cases in hospital in the District (please note, this total may include patients who are no longer COVID-19 positive).

Postcode breakdown

Below we have provided postcodes for confirmed cases reported today as a guide to alert the community who live in these areas that COVID-19 may be circulating in their suburb and surrounds. We do this to ensure all residents within the postcode know they need to be extra vigilant when leaving their home, when monitoring for symptoms and getting tested if they feel unwell. Individual suburb breakdowns are not provided as it does not accurately reflect where cases may have been during their infectious period.
